

Request for Presentation

The deadline for submission is Wednesday, January 8, 2025

Atlantic City Convention Center • May 18-21, 2025

Share your expertise with those who provide energy and home comfort services to millions of consumers in the Northeast. If you would like to be considered as a presenter, please fill out the form below.

The Eastern Energy Expo Program Committee will be reviewing all submissions to ensure that presentations are educational and not merely self-promotion for your company and/or product. For some Technical Track programs, products may be used for demonstration purposes.

NOTE: EEE attendees have shown an affinity for panel discussions/presentations. If your topic is accepted, the EEE Program Committee may choose to include your presentation in a panel setting to assure it has the largest reach and participation from attendees.
